

Maternity Notes Portal

Changing the look, feel and access of your personalised maternity care records and plans.

The Maternity Notes portal is a secure app that provides you with maternity care records and plans on your smartphone, tablet, laptop or Home PCs. It provides you with:

- *Personalised care plan.*
- *Appointment dates and times.*
- *Week by week guide to your baby's development.*
- *Summary of your maternity health care record.*
- *Private & personal diary, to keep a record of your feelings during pregnancy.*
- *Leaflets, videos, web links to online NHS approved information.*
- *Ability to upload pictures of yourself, your bump and eventually, your baby!*
- *Opportunity to develop and record your birth plan.*
- *Once baby is born, personalised care plan for baby.*
